

Step by step legal requirements to set up Intra-Oral dental premises in Queensland.

1. Apply for Possession Licence (intra oral) for the practice
2. Submit a Radiation Safety and Protection Plan for Intra Oral Dental together with point 1. This is a comprehensive document that details your legal radiation obligation for safe use practice.
3. Submit Approval to Acquire form for Intra Oral apparatus. This form details the type of intra oral radiation apparatus you will be acquiring.
4. Shielding design for your Intra Oral radiation premises
5. Certificate of compliance PR004:2004 for your Intra Oral premises (before use and every 5 years thereafter)
6. Certificate of compliance HR005:2004 for your x-ray Intra Oral apparatus (before use and every 3 years thereafter)

Sieverts Radiation Consultancy is able to assist all the above to ensure highest radiation safety hygiene for your practice and meeting all legal requirements under the Qld Radiation Safety Act 1999.
